

DEB Notice 070110 – DEB Roofing Policy and Technical Standards for State-Owned Buildings

Re: CPSM Appendix G and Sections 717.0, 907.2 and 907.4

Effective: 7/1/10

Delete Appendix G, Roof Inspections Forms and Procedures, of the 2004 Edition of the Construction and Professional Services Manual and replace in its entirety with the attached updated version dated 7/1/10.

Delete Section 717.0 “DEB Roofing Standards for State-Owned Buildings” of the 2004 Edition of the Construction and Professional Services Manual in its entirety. Replace with the following:

Section 717.0 DEB Roofing Standards for State-Owned Buildings

The Appropriations Act requires that all agencies requesting general funds shall assign first priority to the roofs of its facilities. The DEB Roofing Policy and Technical Standards for State Buildings are located in Appendix G of the Manual and are incorporated into the Manual by reference. The policy and technical standards are applicable to all buildings, regardless of funding source or project delivery method used.

Delete Section 907.2 “Roofing Policy” & 907.4 “Metal Roofing Policy” of the 2004 Edition of the Construction and Professional Services Manual in its entirety. Replace with the following:

Section 907.2 DEB Roofing Standards for State-Owned Buildings

The Appropriations Act requires that all agencies requesting general funds shall assign first priority to the roofs of its facilities. The DEB Roofing Policy and Technical Standards for State Buildings are located in Appendix G of the Manual and are incorporated into the Manual by reference. The policy and technical standards are applicable to all buildings, regardless of funding source or project delivery method used.
