NOTICE TO LABORATORIES

**Notice of Revision to 1VAC30-45,
Certification for Non-Commercial Environmental Laboratories
Effective April 1, 2022**

1VAC30-45, Certification for Non-Commercial Environmental Laboratories (“Chapter 45”) has been revised with an effective date of April 1, 2022. Laboratories will be assessed according to the revised regulation on or after November 1, 2022.

As soon as possible after April 1, 2022 the revised Chapter 45 regulation will be available for download from the VELAP web page, <http://www.dgs.virginia.gov/dcls>, or available from the VELAP office upon request.

All certified laboratories are encouraged to review the revised regulation thoroughly and be aware of important changes.

Laboratories should review resources provided by VELAP to assist laboratories in compliance. These resources may be found on the laboratory certification toolbox page under the headers “Regulatory Updates – 2022” and “MDL – Method Detection Limit” at <http://www.dgs.virginia.gov/dcls>.
