## More Enhancements for eVA Vendor Accounts and the Public Posting Page

We just wanted to keep you in the loop about a few enhancements made for Vendors.

Enhancements under the My Business drop down include:

- Quick Quote responses can now be viewed directly from the Responses link without having to navigate into the Quick Quote tool
- A NEW link has been added named Contracts, which allows a Vendor to easily view their active Contracts

Additionally, on the public posting page, you can now see how many views your solicitation receives. The "hit counter" has been added back to the solicitation's details page. Thanks for the suggestion!
